

SafeSport Training

Sokol USA strongly recommends that all coaches also take the **SafeSport Training** online course which costs \$20.00, and all other adults participating in Sokolfest take the **FREE SafeSport Training for Parents** which is also offered online. Go to **safesport.org** and click on **Training**. Since Sokol is not yet a member organization of SafeSport, you select the option “**not a member of a National Governing Body.**” The U.S. Center for SafeSport states that *training is a necessary educational tool for prevention of abuse in sport. Education and awareness are the most critical components to creating safe and respectful sport environments.*

Also included here are the SafeSport Code, Parent Toolkit, and Tips on various subjects for parents and coaches.
